

## GOOD NEWS FOR PERSI MEMBERS

A message from Jody B. Olson  
Retirement Board Chairman

Since the last time I contributed to the PERSI newsletter, a number of significant actions have taken place that I believe will be of interest to all PERSI members. I wanted to briefly share some details with you on the steps taken by the Board, PERSI staff, and the legislators so far this year.

The first bit of good news is for our more than 63,000 active members and 680 employers regarding contribution rates. The increase originally scheduled to take place on July 1, 2005, will be postponed until July 1, 2006, and the 2006 increase will be postponed until July 1, 2007. This means that approximately \$21 million from employees and employers will not have to be paid into the fund this year. The Board reviewed the contribution rate schedule at the request of employers whose budgets are already stretched. We were able to postpone the increases for one year because our investment returns have been excellent - among the best in the nation.

The second piece of news is about the cost-of-living (COLA) increases that affect our 26,000 retirees. With profitable investments and a funding level that remains high, the Board recommended the maximum COLA for the year, plus the retro COLA that restores full purchasing power to our retirees. A 2.7 percent increase matches the increase in the consumer price index for the year, plus a 0.8 percent retro COLA makes up for the discretionary COLA the Board was unable to give in 2003 due to poor investment markets. These increases were affirmed by the

legislature and went into effect on March 1, 2005. Everyone who retired with a PERSI defined benefit should now enjoy the same purchasing power as the day they retired.

These two actions were possible because of the outstanding performance of our portfolio team directed by Chief Investment Officer Bob Maynard and the effective administrative staff under PERSI's Executive Director Alan Winkle. For the fiscal year ended June 30, 2004, your fund investment return was 18.1 percent. PERSI ranked in the top 6 percent of public funds in the nation. Our funding status has steadily improved since the 2001-2003 recession, to nearly a 91 percent funded ratio as of July 1, 2005. While I don't have a crystal ball to see what the future holds, trends show the economy is continuing to grow and the market is stable. I am comfortable that we have a plan in place to maximize our returns and minimize our risks in any situation brought on by the financial markets.

Please join me in thanking the PERSI staff, our skilled investment team that includes professional managers from all over the world, the state legislators for their support, and my fellow Board members. PERSI funding will remain solid, and we will continue to provide an excellent retirement for you, our public employees.

### Senate Bills

**SB 1005 - Effect of Benefit Enhancements.** Amends Idaho Code 59-1315 to clarify the meaning of "prospective only application" of benefit enhancements. Simply put, this means that a member's benefits are determined on the basis of the retirement plan as it existed on the date of the member's last contribution as an active member. **Status:** This bill was passed by the Senate on February 8, 2005, and by the House on March 9, 2005.

**SB 1006 - Board Duties/Responsibilities.** Amends Idaho Code 59-1305 to include investment committee members under the indemnity provision; to authorize the Board to retain audit services; and to modify and clarify actuarial requirements. **Status:** This bill was passed by the Senate on February 8, 2005, and by the House on March 9, 2005.

**SB 1007 - Detention Officer Clarification.** Amends Idaho Code 59-1303 to clarify "police officer membership status" for county detention officers, requiring that they be certified according to police officer standards and training (POST), consistent with current POST rules; and clarifies the designation of emergency medical technicians and the status of dispatchers. **Status:** This bill was passed by the Senate on February 8, 2005, and by the House on March 9, 2005.

**SB 1108 - Retiree Return to Work.** Amends Idaho Code 59-1356 to provide that PERSI retirees may return to full time work without affecting their benefit under certain conditions:

- Must retire with an unreduced benefit
- Cannot be reemployed by a PERSI employer for six months after their retirement date
- Can only return to an employer other than the employer from which they retired
- Will not accrue additional service
- The employer must pay contributions to PERSI

**Status:** This bill was heard by the Senate Commerce and Human Resources Committee on February 24, 2005, but failed to make it out of committee by a 4-2 vote. This bill was not sponsored by PERSI.

### House Bills

**HB 138 - PERSI Budget.** On March 9, 2005, the House passed the PERSI budget by a 67-0-3 vote.

**HB 129 - Prosecutors as PERSI members.** Amends Idaho Code 59-1303 to add prosecuting attorneys and deputy prosecuting attorneys to the PERSI definition of police officer member. Similar bills have been introduced in the past, none of which have passed.

**Status:** This bill was heard on February 17, 2005, in the House Judiciary, Rules and Administration Committee and was subsequently sent to the floor with a "Do Pass" recommendation; however, on February 24, 2005, the bill was heard on the House floor and defeated by a 56-12-2 vote. This bill was not sponsored by PERSI.

**HB 138 - Architect Board as PERSI members.** Amends Idaho Code 54-312 to change the status of members of the Architects Board of Examiners, allowing them to become PERSI members. This would reverse the 1996 statute that removed them from PERSI membership. **Status:** This bill was introduced in the House Business Committee on February 8, 2005. It was transferred to the House Commerce and Human Resources Committee, which heard testimony on March 1, 2005. On March 9, 2005, the Committee voted to send it to the floor with a "Do Pass" recommendation. This bill was not sponsored by PERSI.
